**RESPONDENT’S PROFFER ON AWARD OF COMPENSATION<sup>1</sup>**

On October 10, 2023, Michelle Keith (“petitioner”) filed a petition for compensation (“petition”) under the National Childhood Vaccine Injury Act of 1986, 42 U.S.C. §§ 300aa-1 to -34, *as amended*. She alleges that, as a result of receiving an influenza vaccine on October 12, 2021, she sustained injuries, including Guillain-Barré Syndrome (“GBS”). *See* Petition. On June 12, 2024, respondent filed his Vaccine Rule 4(c) report, concluding that petitioner suffered GBS as defined by the Vaccine Injury Table, within the Table timeframe, and with no apparent alternative cause. ECF No. 20. On June 14, 2024, Chief Special Master Corcoran issued a ruling on entitlement, finding that petitioner was entitled to compensation for a GBS Table injury. ECF No. 23.

**II. Form of the Award**

Petitioner is a competent adult. Evidence of guardianship is not required in this case. Petitioner agrees.

---

<sup>2</sup> Should petitioner die prior to entry of judgment, respondent would oppose any award for future medical expenses, future lost earnings, and future pain and suffering, and the parties reserve the right to move the Court for appropriate relief.

<sup>3</sup> The entry of judgment awarding the compensation described herein in a Decision of the Chief Special Master, resolves any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or hereafter could be timely brought against the United States and the Secretary of Health and Human Services in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., (a) on account of, or in any way growing out of any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner that resulted from, or that may be alleged to have resulted from, the vaccinations identified herein, and (b) that petitioner has had, now has, or hereafter may have with respect to the injury that gave rise to the petition for vaccine compensation filed in the United States Court of Federal Claims as petition No. 23-1771V.
